

Press release – 16th February 2018

From 26th of March

The Navigator Company to increase paper prices by 6-8% in Europe

The Navigator Company announced today that it will be increasing prices by 6 to 8 % in Europe. This measure will be effective with orders shipping March 26th, 2018.

The paper industry cost drivers continue to show a steady rise. This fact results on the need to defend our profitability and therefore, the Navigator Company will be applying a price increase in Europe in all products and markets, ranging from 6% to 8% and from 26th March dispatches.

The Navigator Company sells its products to 130 countries over five continents, under its own paper brands with a strong reputation for superior and consistent quality - Navigator, Pioneer, Inacopia, Discovery, Soporset and Inaset.
