

Press release – 7th May 2018

From 1st of July

The Navigator Company to increase paper prices in Europe by 7 to 8%

The Navigator Company announced today that it will be increasing prices our Uncoated Woodfree Papers by 7 to 8 % in Europe, in all products and markets.

This increase will be effective from 1st July dispatches and this decision was taken following the continuous increase in our key production costs.

The Navigator Company sells its products to 130 countries over five continents, under its own paper brands with a strong reputation for superior and consistent quality - Navigator, Pioneer, Inacopia, Discovery, Soporset and Inaset.
